Dear, Ms. Terrien,

I'm writing briefly, as a voting Michigander, that the standing committee prevent HB 5232 in its old and amended forms. The legislation is designed to make it absurdly difficult to create a local historic district. There are so many communities in Michigan that are enriched by historic districts. They can be a source of pride and increase property value. As a concerned citizen, I submit to the committee: oppose, oppose, oppose.

Thank you very much,
